SETS

A collection of various mechanical fasteners and components. The items include: a black T-shaped bracket with two small metal pins; a metal C-clamp; a brass-colored pin; a metal bolt with a hexagonal head; a metal bolt with a hexagonal head and a lock washer; two long metal bolts; two metal pins; a black pin; a red washer; a white washer; a small black pin; a black pin; a black chain link; a red pin; a black pin; a yellow washer; a black O-ring; a red O-ring; and a metal pin.This image displays a variety of mechanical hardware items arranged in rows. The top row includes several stainless steel bolts of different sizes, a small black pin, a metal C-clamp, and a black hex nut. The second row features two long stainless steel bolts, a black T-shaped bracket, a coiled spring, and a black cylindrical pin. The third row shows a red O-ring, a brass-colored sleeve, a grey L-shaped bracket, and a black roller wheel. The fourth row contains a black O-ring, a small black dot, a large red roller wheel, and a white roller wheel. The bottom row consists of a black chain link, a yellow O-ring, a red sleeve, and a silver-colored roller wheel.[illegible][illegible]
